

California Film TV Tax Credit Program 2.0
Approved Production Facilities
 For Productions with CALs issued prior to January 14, 2016

Updated 12/1/2016

For the purposes of this program, a production filming at an "Approved Production Facility" within the 30-Mile Zone (see list below) may accrue percentage points used in the Jobs Ratio Ranking.

If shooting outside the 30-Mile Zone, this list does not apply.

Depending on the jurisdiction, a permit may or may not be required for the facilities listed below.

For all productions with Credit Allocation Letters issued on or after January 15, 2016, the CFC has the authority to now approve facilities that are not on this list but whose primary use is film, video, commercial or digital production. See bottom of listing.

For the purposes of this Program, "Production Facility" means:

- 1) Any facility used by the entertainment industry for the purpose of the film, television, commercial or digital production that is in compliance with Title 24, Chapter 48 of the California Fire Code as determined by the fire authority having jurisdiction or
- 2) A building, ranch or other facility with its primary usage film, television, commercial or digital production, verified by the CFC prior to the start of principal photography.

California Film TV Tax Credit Program 2.0
Approved Production Facilities
 For Productions with CALs issued prior to January 14, 2016

CFC APPROVED FACILITIES

All productions with CALs issued on or after January 15, 2016: The facilities listed below are eligible for additional percentage points ("bonus points") if pre-approved by the California Film Commission. Please contact the CFC prior to principal photography if planning to utilize a listed facility and qualify for additional bonus points. If the production wants to utilize a facility that does not appear on either listing, contact the CFC to ascertain if that facility can be approved for bonus points.
