

APPROVED PRODUCTION FACILITIES

For the purposes of this program, a production filming at an "Approved Production Facility" (see list below) may accrue bonus points used in the Jobs Ratio Ranking. Please refer to the Guidelines for information regarding the jobs ratio and bonus points.

Depending on the jurisdiction, a permit **may or may not** be required for the facilities listed below.

For all productions with Credit Allocation Letters issued on or after January 15, 2016, the CFC has the authority to now approve facilities that are not on this list but whose primary use is film, video, commercial or digital production. If the production wants to utilize a facility that does not appear on either listing, contact the CFC to ascertain if that facility can be approved for bonus points.
