

A Press Statement from The CFC Board of Directors
Thursday, May 23, 2019

The California Film Commission Board extends a warm welcome to Ms. Colleen Bell, Governor Newsom's appointment as the Executive Director of the California Film Commission. We are excited to have someone with her depth of knowledge and experience lead the CFC. We are confident that her prior experience, both in Production and Government, will well serve all the stakeholders who work in the motion picture and television industry here in California.

"I am looking forward to working in partnership with someone with Ms. Bell's experience and qualifications as we strive to maintain California's longstanding status as the home to the motion picture and television industry. Her prior experience in the entertainment industry will further strengthen the skills and expertise of the current California Film Commission staff, which includes several industry professionals," said Thom Davis, Chair of the California Film Commission Board of Directions.
