

# CALIFORNIA CHART OF ACCOUNTS

## CALIFORNIA FILM & TELEVISION TAX CREDIT PROGRAM 2.0

### NON-INDEPENDENT PROJECTS with partial or total Out of Zone Principal Photography (except Relocating Series – 1<sup>st</sup> Season)

February 2019  
For Productions with CALs issued on or after July 1, 2016

The chart below is intended as a helpful guide. Qualified Expenditures apply to pre-production, production, and post-production – not for development, marketing, publicity, or distribution costs.

Please read Budget Tagging and Tracking Tips and Program Guidelines before budgeting your project.

Qualified expenditures qualify for tax credits. In order for purchases and rentals to qualify, they must be purchased or rented and used in the state. In order for wages to qualify, all services must be performed in the state.

All out of state expenditures should be tagged XX in your total production budget and as a free field code. This will enable the production to calculate all qualified and non-qualified California expenditures (for reporting purposes) and exclude the non-qualified out of state expenditures. XX tagging is not indicated in the chart below.

#### 5% UPLIFT TAGGING:

- Visual Effects (VU) and Music Scoring & Track Recording (MU) expenditures that qualify for the additional 5% tax credit are indicated in GREEN. VFX (VU) expenditures also qualify for jobs ratio bonus points.
- “Outside the Zone” (OZ) expenditures include prep, shoot, and strike periods only – as long as expenditures are incurred outside the zone and related to Principal Photography (PP), 2<sup>nd</sup> Units and/or Reshoots during the **applicable period** (prep/shoot/strike) outside the LA Zone.
  - WAGES: All wage related line items for OZ labor should be tagged (QW and ZW). Wages must be paid directly by the production company through a payroll service or accounts payable.
  - NON-WAGE EXPENDITURES: All non-wage related line items for outside the zone expenditures may be tagged (ZE). **ZE expenditures must be rented or purchased and used OZ and may also be used in zone.** ZE expenditures are pro-rated by the number of PP days OZ in relation to total PP days.
  - NON-WAGE Consumables, **purchased or leased outside the zone and used entirely outside the zone**, may be tagged (ZC). ZC expenditures will not be prorated; applicants will get 100% of the cost toward tax credits. A list of total consumables can be found in the Guidelines – Appendix A.

Yellow = Recent changes

Out of Zone items must be <u>rented</u> or <u>purchased and used outside the</u> Zone to qualify for the uplift
