## CALIFORNIA FILM & TELEVISION TAX CREDIT PROGRAM 3.0

January 2021

For Productions with CALs issued on or after January 1, 2021

The chart below is intended as a helpful guide. Qualified Expenditures apply to pre-production, production, and post-production – not for development, marketing, publicity, or distribution costs.

Qualified expenditures qualify for tax credits. In order for purchases and rentals to qualify, they must be purchased or rented and used in the state. For wages to qualify, all services must be performed in the state. Qualified wages should be tagged **QW** in your total budget and Non-wages tagged **QE**.

All non-qualified expenditures should be tagged **NQ**. All out of state expenditures should be tagged **XX**. This will enable the production to calculate all qualified and non-qualified California expenditures (for reporting purposes) and exclude the non-qualified expenditures. XX tagging is not indicated in the chart below.

Please read [Budget Tagging and Tracking Tips](#) and [Program Guidelines](#) before budgeting your project. Visit the CFC Website for tutorials on how to tag your budget.

### UPLIFT & BONUS POINTS TAGGING

**NON-INDEPENDENT** (Excludes Relocating TV Series 1<sup>st</sup> season in CA):

- **VISUAL EFFECTS (VU)** expenditures that qualify for the additional 5% tax credit are indicated in **GREEN**. VFX (**VU**) expenditures also qualify for jobs ratio bonus points.
- **OUTSIDE THE ZONE (OZ)** expenditures include prep, shoot, and strike periods only – as long as expenditures are incurred outside the zone and related to Principal Photography (PP), 2<sup>nd</sup> Units and/or Reshoots during the **applicable period** (prep/shoot/strike) outside the LA Zone.
  - **OUTSIDE THE ZONE WAGES (ZW)**: All wage related line items for labor working outside the Los Angeles Zone (OZ) should be tagged (QW and **ZW**). Wages must be paid directly by the production company through a payroll service or accounts payable.
  - **NON-WAGE EXPENDITURES (ZE)**: All non-wage related line items for outside the zone expenditures may be tagged **ZE**. **ZE expenditures must be rented or purchased and used OZ and may also be used in zone.** ZE expenditures are pro-rated by the number of PP days OZ in relation to total PP days.
  - **NON-WAGE CONSUMABLES (ZC)**: All outside the zone consumables must be **purchased or leased outside the zone and used entirely outside the zone.** They should be tagged (QE, **ZC**). **ZC** expenditures will not be prorated; applicants will get 100% of the cost toward tax credits. A list of total consumables can be found in the [Tracking Tips](#) – Appendix C.
- **LOCAL LABOR HIRE (LW)** receives a 10% uplift. Local Hire Labor must reside in California outside the Los Angeles Zone and work outside of the Los Angeles Zone to be eligible for uplift. Proof of residency is required. Local hire labor should be tagged QW and **LW** (not **ZW**).
- **MUSIC WAGES (MW)**: Wages paid to Music scoring and track recording labor (except Composer) are eligible for additional Bonus Points. An **MW** tag should be added to the applicable line items. **BONUS POINTS ONLY.**

**INDEPENDENT and RELOCATING SERIES** (1<sup>st</sup> season in CA):

- **LOCAL HIRE LABOR (LW)** receives a 5% uplift. Local Hire Labor (**LW**) must reside in California outside the Los Angeles Zone and work outside of the Los Angeles Zone to be eligible for uplift. Documentation to verify where individual resides is required. Local hire labor should be tagged QW and **LW** (not **ZW**).
- **MUSIC WAGES (MW)**: Wages paid to Music scoring and track recording labor (except Composer) are eligible for additional Bonus Points. An **MW** tag should be added to the applicable line items. **BONUS POINTS ONLY.** Does not apply to independent projects with budgets of \$10m and less.
