CALIFORNIA CHART OF ACCOUNTS

Qualifying and Non-qualifying Accounts

Relocating 1/2 Hour Television Series

Effective July 1, 2014

Revised March 2014

The chart below is intended as a helpful guide and are not an exact list of what are considered Qualified Expenditures. Qualified Expenditures are for pre-production, production, and post-production - <u>not for development, marketing, publicity, or distribution.</u> The following listing assumes where "yes" is designated that the service is performed or property is used in the state of California. Items used or personnel services employed both within and outside of California can be qualified only for the prorata portion of costs incurred directly in California. Any expenditures incurred prior to application approval are not qualified expenditures.
