

Location Assistance Request

Thank you for selecting California as your filming destination.

The California Film Commission will conduct a customized state-wide location search upon request. Please submit your Location Assistance Request to the two groups listed below. Film Commissioners in both will want to know:

- Type of project
- A description of filming activity
- Brief shot list of featured locations
- Approximate filming days
- Estimated budget
- Is project greenlit
- Scouting other states
- Is a Location Manager on board
- How far able to travel beyond the [Los Angeles 30-Mile Studio Zone or Secondary Zone](#)
- Full contact information in signature block format with name, title, production company name, address, phone numbers, website and emails

The following links will connect you via Location Assistance Requests to all the [CFC Regional Film Offices](#) and [FilmCalifornia FLICS](#) members statewide.

[The California Regional Film Office Partnership](#) is a network of 60+ film offices across the state providing localized support and assistance with location searches, permitting, lodging and other production services.

Simply email CFC Location Specialist Lisa Mosher with your brief location description as described above. lisa.mosher@film.ca.gov // 323.860.2960 x 123

Be sure to also submit your request through the form provided on the [Film California website](#).
