- Online Application portal will go live Monday, October 2, 2017 at 8:00 a.m. and will close on Friday, October 6, 2017 at midnight.
- A pick-up order is not required at the time of application; eligible Relocating TV Series applicants are to submit a pick-up order by the end of Phase II (November 16, 2017).
- Relocating TV Series applications will also be accepted during the normal TV Projects application window in November but October dates are preferred.

**2. TV Projects: November 6 - 13, 2017** (CAL Date 12/11/17)

- Eligible types of television projects include New TV Series, TV Pilots, Movies of the Week, Mini-series, Recurring TV Series\*.
- A pick-up order is **required** for eligible New TV Series, Pilots, and Relocating TV Series and must be submitted by the end of Phase II (November 16, 2017).
- \*Recurring TV Projects planning to apply during the November 2017 application window should [notify the California Film Commission](#) as soon as possible in order for the CFC to accurately estimate available tax credits for new projects; include estimated number of episodes and amount of tax credits requested. CALs will not be issued until receipt of a pick-up order.

Applications are ranked within categories - TV Projects vs. other TV Projects, Relocating TV Series vs. other Relocating TV Series - based upon their "jobs ratio" score.

Projects that rank in the top 200% (double the number of projects for which funding is available)

will be notified by November 14, 2017 to submit Phase II documents. Credit Allocation Letters will be issued on December 11, 2017 - **budgets should reflect qualified expenditures on or after December 11, 2017.**

## JOBS RATIO RANKING

For historical purposes only, below are the lowest jobs ratios for program year 3 projects that were selected to proceed to Phase II of the application process.

### Program Year 3 Lowest Jobs Ratio

TV Projects  
Application Period 1

Indie Features  
Application Period 2

Non-Indie Features  
Application Period 2

**3.80032****3.97215****3.82197**

The jobs ratio numbers quoted above are based on applications received during the first round of applications periods for program year 3. These numbers should be note relied upon as a guaranteed jobs ratio minimum in future application periods. Applications are measured against their specific applicant pool and as such, each jobs ratio minimum is specific to those types of productions during a specific allocation period.
